

## groupios Preisliste

Oktober 2024 | Reseller

### Die E-Mail-Security- und Groupware-Lösung der Zukunft

Verlässlicher Schutz Ihres Datenverkehrs durch ein innovatives Gateway, kombiniert mit einer einfach und komfortabel bedienbaren Groupware als Alternative zu Microsoft Exchange® und einer multimandantenfähigen Administrationskonsole; dazu native Konnektivität zu gängigen Frontends wie zum Beispiel Microsoft Outlook®:

Mit der **groupios** Suite setzt TUXGUARD im Bereich von E-Mail-Security und effizienter Kollaboration neue Maßstäbe.

**groupios** ist DSGVO-konform, mit modernsten Sicherheits-Attributen ausgestattet und leicht in bestehende Systeme integrierbar. **groupios** bietet klare Strukturen, übersichtliche Funktionalität und ein Höchstmaß an Sicherheit – und das Made in Germany.

## Erläuterungen zur Preisliste

### groupios "On-Premises"

"On-Premises" bedeutet, dass **groupios** vom Reseller vermarktet und vom Kunden-Unternehmen oder der Kunden-Organisation selbst betrieben wird.

**groupios** wird beim "On-Premises" Model lokal installiert und gewartet, in der Regel auf den eigenen Servern des Unternehmens. Das Unternehmen hat somit volle Kontrolle über die Infrastruktur, die Daten und die Sicherheitsmaßnahmen.

### groupios "MSP-Modell"

MSP steht für "Managed Service Provider". Dieses Modell ermöglicht zwei Varianten:

1. Der MSP (Reseller) bietet von seinem eigenen Rechenzentrum aus groupios für Unternehmen oder Organisationen an, so dass diese keine eigenen IT-Ressourcen vorhalten und verwalten müssen. Für Service und Support ist der MSP zuständig
2. Der MSP installiert groupios auf dem Server vom Kunden-Unternehmen oder der Kunden-Organisation und ist dennoch vollumfänglich für Service und Support verantwortlich.
3. Für den nötigen Speicherplatz, die Datensicherung etc. ist in diesem Modell der MSP verantwortlich.

### Preise

Die Liste beinhaltet die empfohlenen Endkundenpreise (EVP) und die Reseller-Partnerpreise. Der Partnerpreis entspricht dem Endkundenpreis -20 Prozent, je nach Produkt jährlich bzw. monatlich angegeben; nicht rabattiert werden der Umzugs-Service "easyMove" sowie Service- & Support-Leistungen.
